

APPLYING THIRD-PARTY PAYER FUNDING

Last Modified Date: 05/22/2024

Step 1: Access your existing National Board account or create a new [account](#). **NOTE:** If you do not recall your username, please do not create a new account. Contact [Customer Support](#).

Step 2: Navigate to “My Profile” and then click “Update Profile.” Scroll down to the “Other” section and update the information release question to “Yes.” **It must be “yes” to use Third-Party Payer funding.**

Third Party Release

To be eligible to receive funding, support, and rewards from third-party organizations, you must agree to the release of the following information from your National Board account to those organizations:

- Personal Information: Name, candidate ID, email address, employment details (school, district, and state), and years of teaching experience
- Candidacy Information: Application status (whether registration fee was paid, amount, and date paid), certification details (certificate and specialty area, start and end cycles, retake attempts completed and remaining), component purchase details (whether component fee was paid, amount, and date paid; whether a purchased component was submitted); and certification status (certification issue and expiration dates). **No scores will be released.**

Do you authorize the National Board to release this information to third-party organizations? *Note: if you wish to request funding from a third-party (external organization), you **must** select "Yes". (Note: Changes to this information will take twenty-four (24) hours to be reflected in the data provided to your third-party.) **

Yes No

Step 3: Register. Candidates are required to register during each assessment cycle in which components will be purchased and completed. To complete your registration, select “Register Now” on your candidate dashboard.

Registration

You must register and pay a \$75 registration fee for each cycle in which you plan to purchase a component or MOC. Your registration can only be completed during the active registration window. The registration fee is nonrefundable and nontransferable. Registration for the 2023-24 cycle is May 22, 2023 - February 29, 2024.

You have not registered for the current cycle. Click the “Register Now” button below to get started.

Step 4: Before you will be permitted to purchase a component, you will need to choose your certificate area. Select “Choose Certificate” in the left hand navigation menu to access the list of available certificate areas. If you are unsure which certificate is appropriate for your specific teaching situation, please review [Choosing the Right Certificate](#). You can use the arrows to the right of each name to view available student developmental levels and paths/specialty areas. Click the green Save to my Home button to save the certificate area to your Candidate Dashboard.

If you’ve already chosen a certificate area, you may skip this step.

Step 5: Purchase a component using third-party funding. We have a few options available.

- A. **New for 2024-25:** The National Board is simplifying the component purchase process for candidates who receive full* funding from a third-party organization. You may now indicate that you are expecting full funding for a component and when the organization submits payment, we will automatically complete the component purchase for you (instructions [here](#)). *Note: Candidates who receive partial funding will be required to complete the component purchase manually and pay the remaining balance.
- B. For those of you who have received full funding but do not wish to use the expecting funding automation, you can complete your component purchase using the instructions [here](#).
- C. For those of you who have received partial funding, you can complete your component purchase using the instructions [here](#).

Expecting Funding Option

Use this option if you're expecting your Third-Party Payer to fully fund this component. Once your Third-Party Payer has designated funds for this component, we will automatically complete the component purchase for you.

- Under the "Your Component Selections" section, click the name of the component you would like to purchase. Note: Candidates must complete (test/submit) components in the cycle in which they are purchased. Only purchase the components you plan to complete this cycle.

These uses may make my Submission(s) and the Student Work available for viewing by a broad range of individuals, educators, and students. The National Board's rights in Student Work are as authorized by the Release Forms.

The National Board will not publicly connect my name with my Submissions. Although the National Board, or its designee, may use and make my Submission(s) available to others as discussed above, the National Board will not affirmatively connect my name, nor the last names of my students, with the Submission(s) and the Student Work. I understand, however, that those viewing the Submission(s) may be able to identify me or my students by recognizing me or them by sight or voice. Moreover, if one of the video participants addresses me or another student by name, or if I am wearing a name tag, the National Board will not redact the name before making use of the Submission(s).

I acknowledge that I have read and agree to all terms and conditions in the Candidate Release Agreement.
